RECHARGEABLE LED STRIP LIGHTING

Brighten Up Your Night Life!

Our rechargeable LED strip lights requires no power, and once fully charged lasts 8-9 hours on full power, and can do up to 16 hours on half power!

LED LIGHTING

They are perfect for traders who do not have access to power, or those who wish to save the cost of hiring expensive electric at exhibitions.

Each light comes complete with USB/Mains plug charger and a variety of clips to attach to the cross bars of our Instant Gazebo Event Tents.
